Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III [X]

1 Briefly describe the organization's mission:

Groundswell International Strengthens rural communities to build healthy farming and food systems from the ground up.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? [] Yes [X] No

If 'Yes,' describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? [] Yes [X] No

If 'Yes,' describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 148,674. including grants of \$ 13,920.) (Revenue \$ 27,647.)

West Africa -- Together with partner organizations in Burkina Faso, Ghana, and Mali, Groundswell continued implementing a long-term program to improve community resilience, farmer livelihoods, and environmental stewardship by fostering the spread of Farmer Managed Natural Regeneration of trees (or FMNR) and other locally adapted ecological farming practices. The program in West Africa is also strengthening and amplifying existing farmer and women-led initiatives and organizations in order to spread ecological farming systems, reinforce movements for food sovereignty, and work for enabling policies. This work benefitted more than 176,000 rural people in 2014.

4b (Code:) (Expenses \$ 340,065. including grants of \$ 283,793.) (Revenue \$ 0.)

Burkina Faso -- Groundswell works with the Burkinabe non-governmental organization Association Nourrir Sans Detruire (ANSO) to improve the lives of thousands of farm families living in eastern Burkina Faso by spreading practical ecological farming methods as well as sustainable livelihood solutions. In addition to working with ANSO on the regional initiative described above, Groundswell and ANSO are working together on an action-research project designed to study and implement farmer-led innovation in agroecology as a means of enhancing nutrient management and water retention in soils to improve food security, and on a project that improved access to water for drinking and agriculture - to allow for dry season vegetable gardening. These strategies complement and enhance Groundswell's sustainable agriculture and FMNR work with these same families.

4c (Code:) (Expenses \$ 121,056. including grants of \$ 111,717.) (Revenue \$ 0.)

Ghana -- The Center for Indigenous Knowledge and Organizational Development (CIKOD) is Groundswell's Ghanaian partner organization in the West African regional program. We are working together to address the soil and food crisis in Ghana by spreading the adoption of FMNR and complementary ecological farming practices that are improving rural livelihoods and food security through increases in food and fuel wood production, increased abundance of fodder for livestock and access to natural resource-based enterprise development. This in turn is contributing to enhanced resilience to climate change and reduced risk in rural communities by revitalizing the natural resources on which rural families depend.

4d Other program services. (Describe in Schedule O.)

(Expenses \$ 686,380. including grants of \$ 474,876.) (Revenue \$ 0.)

4e Total program service expenses 1,296,175.

Groundswell is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code. Under the Code, however, income from certain activities not related to an organization's tax-exempt purpose may be subject to taxation as unrelated business income. The organization had no income from unrelated business activities in 2014 and was, therefore, not required to file Federal Form 990-T (Exempt Organization Business Income Tax Return). The organization believes that it has appropriate support for all tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The organization's Forms 990 for 2011, 2012, and 2013 are subject to examination by the IRS, generally for three years after being filed.

Also complete this part to provide any additional information (see instructions).

Pt I Line 2 Procedures for monitoring the use of grant funds outside the U.S.

Pt I Line 2 Groundswell engages in extensive pre-grant due diligence of any organization to which it disburses money. For foreign organizations, Groundswell requires that the organization be a legally registered charitable non-profit organization within its country. The information required to be provided by potential grantees includes financials for the current and previous years, governing documents, details about the board of directors, and descriptions of programs and activities. These requirements are in addition to rather than in lieu of a project funding proposal.

Pt I Line 2 Once the decision is made to make a grant to a foreign organization, Groundswell requires a written cooperation agreement between the grantee and Groundswell, which outlines each organization's duties and responsibilities, including the grantee's responsibility to request prior written approval from Groundswell before making substantial modifications to the project and/or budget.

Pt I Line 2 When the agreement is signed by the grantee, a transfer is made either from Groundswell headquarters or by direct transfer from the donor to a local bank account in the country where the grantee intends to implement activities outlined in its project proposal.

Pt I Line 2 During the grant period, Groundswell maintains regular and frequent contact with grantees, including through e-mail, phone and occasional field visits. Groundswell also requires regular progress and final narrative and financial reports. When reports are received, management and staff compare actual expenses to the approved budgeted expense, and, as necessary, seek additional explanation for any significant variations not already documented in the narrative report.

Pt I Line 2 Groundswell encourages all grantees to undertake annual audits of their overall operations, and Groundswell reserves the right to require an independent audit at its expense at any time during the project or program it is funding. This authority is set forth explicitly in the cooperation agreement entered into with each grantee.

Pt I Line 2 Finally, a Groundswell staff member conducts a site visit at least once during the term of all projects or programs undertaken with Groundswell funding.
